Response to Restriction Requirement

Dear Examiner:

In response to the restriction requirement mailed March 16, 2007, Applicants elect without traverse the invention set forth in group I, Claims 1-16, drawn to an apparatus for use with a listening device, wherein an assistive listening device cap is configured to be capable of mechanically attaching to the exterior surface of a cochlear implant headpiece. Applicants reserve the right to pursue the subject matter of: group II, Claims 17-20 and similar claims in a continuing application(s). Claims 17-20 have been withdrawn.

Amendments to the claims begin on page 2 of this paper.

Remarks begin on page 6 of this paper.
